February, 2015

There was no meeting this month due to us changing the time of the meeting, and being creatures of habit, some of us forgot, or had last minute appointments. So not having enough members present, the meeting was not held.

We do still have 40 copies of Steeleville and Its Early Years written and compiled by Imogene Fiene.. Books mailed out of state are \$25 plus \$5s/h. In state, add \$1.81 for tax. You may purchase one at the RCGS location or from Imogene at First National Bank. Some of you who have purchased one, and haven't picked them up need to do so. This is the last run of the books.

Our faithful crews in the office on Mondays & Tuesdays, weather permitting, are always busy with researches' working on indexing, the quarterly or other office jobs.

We have a new light bulb for the microfilm reader so we should be able to get back on it.

We are going to put an updated Publication List in the March Quarterly.

What is your take on adding a membership list once a year to the Quarterly?

Treasurer report January 1-31, 2015

Total Receipts: \$657.42 (mostly dues)

Total Disbursements: \$704.18

Reminder : " If your dues are not paid , and you wish to continue receiving the publications, your dues need to be paid before March 10, 2015.

Hope you have been able to do some research during these cold days.

Respectfully Yours,

*Midge DeByns*
