The 2017 dues are over due. This is your last issue if you have not paid for 2017. The dues are \$25.00 a year and always due in January.

In the June issue, we plan to include the write ups about the people that The Randolph Society chose to honor on the Court House wall. I hope that this will encourage you to help select the next group this fall. I believe that they are on our web site also.

All officers are requested to call the office if you are not coming to the scheduled meeting. Also if you are staff/volunteer, please leave a note in the office if you can not be present. We need more people and ideas to do the best job that we can.
