Noah Sheets a Pioneer of the County

Born And Reared In Adams

His Death Occurred Yesterday Afternoon, Causing Deep Sorrow For Many.

Noah Sheets, one of the best known citizens of Adams county and one of the most popular citizens of Root township, died yesterday afternoon at his home at two thirty o'clock after an illness of two weeks' duration. Mr. Sheets was born in Root township in the year 1843, where he was reared to manhood and continued to make his home until his demise. He was a prosperous farmer and was admired by all and his friends were innumerable, which alone speaks volumes for him. He took charge of the home place soon after the death of his parents and it was there that he continued in the simple farm life. The funeral services will be held Monday morning at ten o'clock at the Mt. Pleasant church, Rev. Daugherty officiating and interment will be made in the Reynolds cemetery. He leaves a wife, several children and a host of relatives and friends to mourn their loss.
