Pete was raised by a blind mother. This remarkable woman's zest for life and work ethic seemed to rub off on Charles, and his sibling

He loved work and excelled at household projects. His strong work ethic and the support of his extended family, partners, and friends, enriched all those around him. Pete built and lived his "dream." Charles (Pete) Peterson had a long and fruitful life that serves as inspiration to all those who had the benefit of knowing him. He was 83 years young and will be remembered.
