PROF. DON LAMMAR BURK DEAD

DECATUR, Ind. Dec. 18 - The body of Don Lammar Burk, aged 26, son of Mr. and Mrs. John Burk, left Manhattan, Kas., this morning en route to the parental home here. It will arrive Thursday evening at five o'clock. Death occurred Monday morning at 3 o'clock, the telegram thereof reaching here last evening, following a telegram received in the morning that he was very low and that death could be expected. The deceased was a professor in the Kansas State Agricultural college, being in the English and debate departments.
