

MRS. KRICK DEAD

Attack of Influenza and Pleuro Pneumonia Results in Death Today

WELL KNOWN WOMAN

Was seriously Ill for Only Four Days --- Mother of Eleven Children.

Following an attack of influenza which developed four days ago into a severe case of plural pneumonia, Mrs. Ida M. Krick, wife of Joseph D. Krick, residing five miles south of this city in Washington Township, passed away this morning at seven o'clock. The death of Mrs. Krick is made exceptionally sad owing to the fact that her passing away leaves eleven children motherless, the youngest being two years old. The family has experienced much sickness during the past few months, Mr. Krick having recovered from an attack of pneumonia only a few weeks ago and at one time eight of the children were confined to their beds with influenza.

Mrs. Krick was born in Van Wert County on April 3, 1884 and was the daughter of Mr and Mrs. James Mauller. She was united in marriage on April 2, 1903 to Mr. Krick and since that time had been a resident of this county, having resided at the present home for the past two years.

Surviving besides the husband, are the mother of the deceased, eleven children, Naomi, Dallas, Orley, Dorothy, Barry, Ostin, Donald, Junior and Paul. Three sisters also survive, they being Mrs. Lizzie Dull of Wren, Ohio; Mrs. Maude Hackett of Convoy, Mrs. Bertha McMichael of Rivarre, also two brothers, J. C. and J. W. Mauller of Middlebury.

Funeral services will be conducted Sunday morning at ten o'clock at the St. Paul Church and interment will be made in the Decatur Cemetery.
