Marilyn Bardsley

Marilyn Linn was born on August 7, 1942 in Wells County, IN. She went to Bluffton High School, and married Max Bardsley a little afterward. She had 5 children: Matthew, Teresa, Kristina, Kathlina, and Tina. She did not have an official job, because she mainly stayed at home to watch the kids. However, she did help out with farming, which took up a lot of her husband's time, since he owned hundreds of acres. Later, she was battling lung cancer, which she contracted in 2007. She continued to do so until her death in October of 2009. She battled to live past her wedding anniversary, which was the week before her death.
