Walter Linn

Walter Linn was born in 1908. He was a man's man, a guy who could get things done. He was very tall and was "thick-boned". He married to Helen Gottschalk . He had three children: Marilyn, Carolyn, and Cheryl. Walter spent time with his son-in-law, Max, by hunting and logging. They were very similar, and that's a leading factor in why Max married Marilyn. He didn't struggle with much, or he just didn't say it. He died in 1979, due to health complications.
