By Luke Liter

My grandpa, Jim Liter, was born on November 13, 1945 in Switzerland County, IN. He had two sisters, Rose and Juanita. Jim also had a twin sister but she died at birth. He attended school at Pleasant School. Jim got married to Judy Mountz on June 19, 1964. After they got married they moved to Decatur, Indiana. They had a son named James Darin Liter shortly after they moved. Jim and Judy had three more boys after James. There was Merle who was born in 1970, Shawn who was born in 1971, and Matt who was born in 1973. After all the boys were born Jim was diagnosed with MS. Jim fought MS for about 20 years before he passed away on July 30, 1995.
