(Photo) This pretty little girl, with pleasant smile and sparkling personality, is Marjorie Ann Stauffer, three-year old daughter of Mr. and Mrs. Waldo J. Stauffer of Berne.

Marjorie Ann is three years old, and a very well mannered and personable young lady. She has many admirers who are forecasting success for her in the Baby Election.

(Photo) Radiating good nature and friendliness, this handsome little fellow looks the world in the eye with poise and self assurance.

He is Frederick Allen Dellinger, aged 11 1/2 months, son of Mr. and Mrs. Frederick Dellinger R.F.D. 1, Monroe.

If the good wishes of this chap's friends turn into votes, the judges will need adding machines to count them.

(Photo) You can't keep the sunny disposition of this pretty tot from breaking through.

She is Daisy Belle Heller, aged three years, daughter of Mr. and Mrs. Loren Heller R.F.D. 1, Berne.

Blonde and charming, Daisy Belle will be one of the Baby Election's important little candidates.

(Photo) Just a little shy, altogether charming, is Shirley Ann Steury, aged two years and eight months.

Shirley Ann is the daughter of Mr. and Mrs. David Steury, R.F.D. 1, Berne.

This fine little tot deserves lots of success in the Baby Election, and here's wishing her what she deserves.

(Photo) Ruth Ann Liechty smiles beautifully for the camera, and thus you get a picture of a delightful blue-eyed, blonde-haired baby.

Ruth Ann is eight and one-half months old, and her parents are Mr. and Mrs. Gordon M. Liechty of Berne.

Baby Election votes will be coming her way in prize-winning quantities, we are sure.

(Photo) A clever little lad is Andrew David Schrock. You can see fun and personality in every feature.

Andrew David is five years old, and the son of Mr. and Mrs. Noah N. Schrock, R.F.D. 1, Berne.

It is easy to see why this chap is a favorite with many Baby Election fans, and that they will be cheering for him to win.
