(Dated September 2, 1937)

(Photo) This attractive, smiling miss is Margie Corrine Tester, five-year old daughter of Mr. and Mrs. Walter Tester of Berne.

Margie Corrine is well known to local people, for she is an accomplished juvenile singer of gospel songs, having sung on the radio when only two years old.

There will be plenty of support in the Baby Election for this talented and well liked young lady.

(Photo) Gene Roger Bluhm lives in Monroe where the boys grow healthy and husky, and he is no exception to the rule. He is full of life and high spirits.

Gene Roger is 20 months old, and the son of Mr. and Mrs. Roger Bluhm. He has many admirers, and we expect to see his votes jump within the next few days.

(Photo) "Greet the world with a smile" is the motto of this fine appearing chap. He is Richard Ellis Amstutz, aged 22 months, son of Mr. and Mrs. Omen Amstutz, R.F.D. 2, Berne.

Richard Ellis is a resourceful and manly little fellow, always good natured, and with a popularity that should give him high ranking (cut off)

(Photo) Another lovely little lady whose votes have been climbing recently is Naomi Ellen Sipe, 23-month-old daughter of Mr. and Mrs. Clark Sipe, R.F.D. 1, Rockford.

Naomi Ellen's curly head, expressive eyes, and sparkling smile (cut off)
