### Summary of Events and Information

Where he was president of a court martial. Three trees were loading lumber for another boat shipment today. The H.D.'s class was held from 1400 hours to 2000 hours. Instructions were given in the anti-tank rifle.

Weather: Cloudy and warm, clearing in the afternoon. The mill produced 15,603 f.h.m. today. Three trees continued loading lumber today. A Court of Inquiry, composed of officers of the H.D., was convened today to inquire into and report upon the accident that occurred on 5 Jan 43. There were four bags of mill today.

Weather: Partly cloudy and warm. The H.D.'s class was held from 1400 hours to 1930 hours, instruction was given in the anti-tank rifle. No action was taken in the Recreation Hall, starting at 1000 hours, by the Auxiliary Services.

Weather: Partly cloudy and warm. The H.D.'s class was held from 1400 hours to 1930 hours, instruction was given in the anti-tank rifle. No action was taken in the Recreation Hall, starting at 1000 hours, by the Auxiliary Services.

Weather: Cloudy and warm - quite hazy during the day. The day was devoted to Military Training. Only essential work was done which included six trees loading lumber for a boat shipment.

Weather: Cloudy and warm. There was a Protestant Church Service in the Recreation Hall at 1155 hours. It was conducted by Capt. A.T. Vincent, the remainder of the day was uneventful.

Weather: Cloudy in the morning,-heavy rain in the afternoon and evening. The mill produced 18,286 f.h.m. today. The heavy rain made the roads very wet, however, no accidents occurred. The first logs had been handled from our saw cut today, which is our third block of timber. At 1700 hours L. O. C. left to attend a course at the A.M. School of Hygiene. There was a fire issue at 1830 hours.

Weather: Rain all day. The mill produced 12,977 f.h.m. today. The heavy rain damaged the woods operations. A fire was reported, resulting in the mill being out of logs for a considerable time. Capt. Flesher was summoned by Capt. G. O. C. to attend a Court of Inquiry, convened a inquiry into the accident, which occurred yesterday and resulted in the death of L. O. C. Deputy.
The R.C.A.F.'s class was held from 1900 hours to 2000 hours.

Weather: Partly cloudy in the morning, clearing in the afternoon and warm. The mill produced 21,497 f.b.m. today. Lt.-Col. B.A. Dool, A.D.T.C., was called at the camp from 1030 hours to 1130 hours regarding Transport. Starting at 1930 there was a motion picture shown in the Recreation Hall by the Army Service. It consisted of a training film and an entertainment film.

Weather: Cloudy with scattered showers. The mill produced 24,117 f.b.m. today. Lt.-Col. B. A. Dool, A.D.T.C., had a meeting at the camp this morning.

Weather: Cloudy and warm. The mill produced 24,117 f.b.m. today. Lt.-Col. B.A. Dool, A.D.T.C., was called at the camp from 1030 hours to 1130 hours regarding Transport. Starting at 1930 there was a motion picture shown in the Recreation Hall by the Army Service. It consisted of a training film and an entertainment film.

Weather: Partly cloudy and warm. The mill produced 24,117 f.b.m. today. Lt.-Col. B.A. Dool, A.D.T.C., had a meeting at the camp this morning.

Weather: Light rain in morning, partly cloudy in the afternoon. A bit inspection of ranks below the rank of Sergeant was held from 0800 hours to 1000 hours. The remainder of the morning and afternoon was devoted to Military Training. Instruction was given on the Bren Gun and Defense against Gas.

Weather: Cloudy in morning, snowing all afternoon. There were two Church Services in camp today, one for the R.C.A.F. at 1000 hours conducted by H/Capt. A. Claude-Lemoine and one for the Psychiatrist at 1115 hours conducted by H/Capt. A. G. Vincent. The remainder of the day was uneventful.
