RG24 vol 16422
No. 4 Coy Canadian Forestry Corps

PART I ORDERS

Wolfeater Camp, V.P.O. Dak. Oct. 4-40

(1st and last order issued Nov. 24, 40)

ORDER

OFFICER

(a) All officers are required to look after their personal needs. Details of food, clothing, and other supplies are obtainable from the storekeepers. Officers are permitted to purchase a small amount of food for their own personal needs. This purchase will be at the officer’s own expense and will be in addition to the rations issued by the Army. Officers are also permitted to purchase a small amount of clothing and other supplies for their personal use.

(b) All officers are required to report any defects or deficiencies in the equipment issued to them. Defects or deficiencies will be reported to the commanding officer. Officers are required to keep a record of all equipment issued to them and to report any defects or deficiencies immediately.

(c) All officers are required to report any accidents or injuries sustained in the course of their duties. Accidents or injuries will be reported to the commanding officer. Officers are required to keep a record of all accidents or injuries sustained in the course of their duties and to report any accidents or injuries immediately.

(d) All officers are required to report any complaints or grievances regarding their treatment while on duty. Complaints or grievances will be reported to the commanding officer. Officers are required to keep a record of all complaints or grievances and to report any complaints or grievances immediately.

(e) All officers are required to report any recommendations regarding the improvement of their unit. Recommendations will be reported to the commanding officer. Officers are required to keep a record of all recommendations and to report any recommendations immediately.

(f) All officers are required to report any information regarding their health or medical condition. Information regarding their health or medical condition will be reported to the commanding officer. Officers are required to keep a record of all information regarding their health or medical condition and to report any information immediately.

ORDER

(a) All officers are required to report any defects or deficiencies in the equipment issued to them. Defects or deficiencies will be reported to the commanding officer. Officers are required to keep a record of all equipment issued to them and to report any defects or deficiencies immediately.

(b) All officers are required to report any accidents or injuries sustained in the course of their duties. Accidents or injuries will be reported to the commanding officer. Officers are required to keep a record of all accidents or injuries sustained in the course of their duties and to report any accidents or injuries immediately.

(c) All officers are required to report any complaints or grievances regarding their treatment while on duty. Complaints or grievances will be reported to the commanding officer. Officers are required to keep a record of all complaints or grievances and to report any complaints or grievances immediately.

(d) All officers are required to report any recommendations regarding the improvement of their unit. Recommendations will be reported to the commanding officer. Officers are required to keep a record of all recommendations and to report any recommendations immediately.

(e) All officers are required to report any information regarding their health or medical condition. Information regarding their health or medical condition will be reported to the commanding officer. Officers are required to keep a record of all information regarding their health or medical condition and to report any information immediately.
