**PARDONS WERE GRANTED IN CASES FROM Nos. 431 TO 821,**

Inclusive, to persons convicted under the kuklux act in Lawrence county, upon the request of the judge of that district. The pardons granted as above have never been delivered to the parties pardoned, but are now in this office.

JAMES BLACKBURN,  
*Secretary of State.*

**PARDON No. 822.**

*To his Excellency* LUKE P. BLACKBURN, *Governor of Kentucky:*

Your petitioner, Thomas Collins, would very respectfully say, that at the June term, 1876, of the Letcher Circuit Court, he was indicted on the charge of having made an attempt to commit a rape on an infant under twelve years of age, and at the November term, 1878, of the Letcher Circuit Court, he was tried, convicted, and sentenced to confinement in the Kentucky Penitentiary for five years, which verdict and judgment were very wrong and unjust, which never would have been rendered if your petitioner had been fairly tried, because he says he was not guilty of the offense charged in the indictment.

Your petitioner says these are about the facts of the case as they actually occurred at the time complained: Your petitioner and witness

Miss Ky Feb 2<sup>d</sup> 1881  
Gen Luke P. Blackburn  
Governor of Ky.  
Dear Sir

I herewith enclose copy  
of two Indictments, and appended hereto, the  
names of 390. persons, out of the number,  
which I recommend to your excellency, for  
executive clemency; In that way, that, may  
to you, seem just and right; There are a few  
names in the indictments, not on this list;  
while, I don't know that they can be located,  
yet their conduct in the prison, does not answer  
itself to me, in such a way, as to merit executive  
clemency at this time; All the list hereto  
appended cheerfully, recommend to your  
consideration; The most of all the number,  
voluntarily surrendered to the Civil authorities  
and are now under bond. Some, however, of them  
dare, so, until after I had secured, special  
terms of the Criminal Court, but my, and  
had, assurances, from your excellency, that,  
I could command, the military force of the  
State, to compel a surrender. Peace and  
order, has, prevailed in this County, since, the  
calm, that followed the surrender, so  
far as the organization of so called, "Regulators  
or vigilance", is concerned - but so in the  
Counties of Carter and Elliott

In extending Executive Clemency  
You Can. make it a Condition of that, the  
Beneficiaries, Shall give the Civil Authorities all  
their a/c. and information, in their power, in  
prosecuting those who have not. Surrendered,  
and. You Can further. make the, pardon to  
take office at the end of a given number  
of months; as Condition the parties, Come into  
Court in the mean time, and, accept, the  
Condition of record - when so accepted, they  
shall stand forever. pardoned - as the Conditions  
named - This Course is a guarantee for  
future good behavior.

While I freely, and  
willingly, recommend, a pardon, or Clemency,  
to all the persons, named on the list; I am  
fully of opinion, that there ought to be, Condi-  
-tions in it, to secure future good behavior  
and aid of the Civil Authorities.

What ever you  
determine to do, let me know, at, as early  
days possible, at least by 14<sup>th</sup> Inst, as that is  
first day of our Court.

Yours Family -  
James B. Stewart  
Late Judge Criminal Court
