Tallulah vs. Lake Providence

Sunday, May 16, 1948: many of Tallulah's youths were initiated in a new sport. The local baseball team journeyed to Lake Providence to play their American Legion Base-ball team. Due to the complete lack of experience the Tallulah team, sponsored by the Lake's and Woodman of the World Clubs, was defeated 16-2.

If enough players can be obtained of school age two games a week will be played throughout the summer.

Tallulah All-Stars

On Thursday, May 6, 1948, the Tallulah soft ball team, representing T. E. R. headed south to challenge the Newenton team. The game proved to be a thrilling as well as victorious one for the Trojan.

Due to the fact that this was Tallulah's first game the boys were rather nervous and fell off to a fast start. After the first five innings of play Tallulah was on the face of it a 6-1 count. The Trojans go up and did it again and held the lead. The score is now 12-0. The game ends 16-2.

Plains are being made to entice the boys of the inter-school league.

Plains are being made to challenge an inter-club league. Either two or three teams will be organized to play two games a week.

What Would Happen

What would happen at Tallulah High School?

We're just fans and fans apart.

Mrs. Yeates didn't give a chemistry test every day.

Billie Ann was fat.

Kate White wasn't chewing gum.

The Trojans made one mistake. The boys were not on Bayou bahu.

Warren Williams got out in a hurry.

Gino Walshe made an F.

Wallace Walker was tall and skinny.

Mrs. Yeates didn't give an assignment.

Martha Page didn't talk.

Miss Phillips came to school looking tacky.
