To all whom it may concern I am done Recruiting as I have told you twice before I tried about a week & found it impossible to get the men then I wrote to you & told you the result & afterwards again & sent the paper besides two letters of enquirey all of which I should enfer from your last letter you had not received.

My business is such that I am away from home most of the time so that I cannot get my letters at once but if you have any further remarks questions or proposition to make please direct your letters to Hartland Maine & as soon as I get them I will answer by return of mail.

W, B, the men that I got are not holden on account of their age & would not go only I went.
