

General Hodsdon Dear Sir

Edward H Doane a soldier in the first Maine Cab has been a resident of the Town of Palmyra since 1857 & his enlisting papers were both made out. He says as a resident of Palmyra, but he finds himself credited on your records to the quota of Hampden. The Town of Palmyra claims him as one of their quota & he wishes to be records as such. Will you please make the transfer & oblige.
