Palmyra – May 4, 1864

Gen^l Hodsdon, Dear Sir

George W Applebee a soldier in Co H 12th Regt Maine Vol had been at Detroit at work for a few weeks at the time he enlisted in 1861 and as other boys of his acquaintance were enlisting at the same time who lived in Detroit and as no assignments of quota's had then been made to each town, the recruiting officer made out his papers for Detroit & consequently his name stands on record as a resident of that town. But he is actually a resident of Palmyra where his home had been at his mother & brother's house for the last two years before his enlistment & where he was taxed in 1860 & 1861. He now at home on furlow, he says when he re-enlisted he requested to have his papers made for Palmyra but was told that he represented Detroit in his first enlistment & must do the same now. We think it a very clear case that he should be credited to this town & we claim him as one of our quota & it is wish to be record as such as he will certify on the other side of this sheet. If you think proper to make the transfer please inform me by return main & we will insert Palmyra instead of Detroit in his certificate and sign it agreeable to his request.

Your Very Respectfully

Sam^l Clement – Cha of Selectmen of Palmyra

I hereby certify that the foregoing statements are true & correct & that it is my wish to count on the quota of Palmyra.
