

To the Honorable Governor & Council of Maine:
Gentlemen

The undersigned respectfully represents that d
Daniel Prescott of Co G 31st Regt Maine Vol who died in Service, left a family of five minor & Orphan
Children who are destitute of any means of support except a small portion of bounty money that yet
remains unexpended. I have applied for US pension for them but am not aware that it had yet been
allowed and as two of said children viz Herbert D Prescott and Gale W Prescott are under the age of
twelve years they seem to be proper subjects for the benefit of the State pension act approved Feb^r 23
1866. I would therefore respectfully request your honors to grant them the benefit of said act.

Very Respectfully Your Ob^t Servant
