If dues are not received by MOSSAR by December 31,2012, the member is dropped from the rolls of SAR, thus requiring reinstatement forms and fees to be submitted and paid in addition to the above mentioned dues prior to returning the Compatriot to active status.

This year the Board of Directors have decided as an incentive for all Compatriots that renew their membership prior to or at the September 15, 2012, Spirit of St. Louis Chapter meeting will have a chance at a free drawing for one Free Breakfast for any meeting through Saturday June 15, 2013. By paying dues before October 31,2012 this puts the chapter in contention for the Josiah Fogg Award.
