Marriages 2-Parish of St. Stephen, St. David, and St. James 1843- 1864 (Anglican)

I have printed out the remainder of Christ Church Anglican marriages from Project Preservation Reel Number 832 at the Charlotte County Archives or Reel Number 46 at the St. Croix Public Library. They were arranged in four different “books”, perhaps kept by the Rector and Curates. I called them A, B, C, and D, and attempted to print them in chronological order, but in some cases, they overlap. When you consult the original reel, you will not find the sections lettered. Simply scroll down the entire document using the index to assist you to locate it on the film. Square brackets indicate my idea of an illegible name.
