Planting the Seed:

Tools for Growing Your Family Tree

OHIO GENEALOGICAL SOCIETY 2006 ANNUAL CONFERENCE "Planting the Seed: Tools for Growing Your Family Tree" Top National Speakers Thurs. - Sat. 27-29 APRIL 2006 Radisson Hotel/Seagate Center-Toledo, Ohio

Better every year, the OGS Conference is one of the top genealogical educational conferences in the country. Over sixty programs with outstanding national and regional speakers on a wide variety of topics will help you progress with your family research.

Vendors display and sell the latest genealogical books, software and many other items difficult to find elsewhere.

In the heart of downtown Toledo, the Seagate Convention Centre is a visitor's dream, offering many attractions and restaurants within walking distance.

The Radisson Hotel Toledo, connected with the Convention center by an enclosed walkway, is located at 101 N. Summit St. A conference rate of \$89 is offered until April. Phone (419) 241-3000; website <www.radisson.com>. Mention the Ohio Genealogical Society to receive this rate.

Visit the OGS website for a printable registration form and further information, including full daily programs and speakers at: <www.ogs.org>

Conference is open to all, but there is a price break for OGS members and it is worthwhile to join. Annual membership to OGS is \$32 single or \$37 joint.

A great time to meet other family historians. You may visit and browse the exhibits without being registered, but may not attend lectures. Many Ohio chapters will have displays of their county publications.
