**Wiggins**

A Restaurant with  
**The Genial Air of the  
Old English Tavern**

welcomes guests at Wiggins Tavern. With eye enjoy an atmosphere congenial as that immortalized by Dickens . . . with palate savor of succulent viands and foaming tankards that would have delighted even such an epicure as Ben Johnson.

Around the wassail bowl gather ye, and with beverage pale amber, sparkling red or frosty white — toast the moment that is now. . . . May it be a thing of golden joy, casting no shadow forwards or backwards . . . filling tomorrow only with contented reflections of yesterday.

“Good food as of old and ale that’s stout,  
with service at ‘Wiggins’ worth talking about.”
