**WAGNER BROS.**

Proprietors of the Oldest and Leading Bakery in the County, Makers of Ice Cream, Confectionery and Choice Pastry.

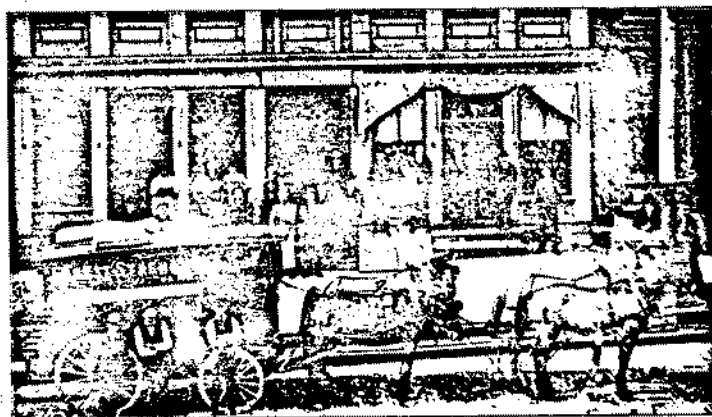

This business was established in 1869 by F. J. Wagner, father of the present proprietors, who, until his death in January, 1909, was identified with the establishment, but since 1905 had resigned the work to his sons, Fred, Jr., and Ralph, who thoroughly learned every department of the vast business, and who are now its sole proprietors. They occupy a large two story brick building, 24x70 feet, on Main street, where they conduct the most up to date bakery in the county, making bread, cakes, pastry, ice cream and confectionery. The trade in Cadiz is a large one, constantly growing and rapidly extending over this and adjoining counties. Bread and rolls are fresh daily. Connected with the bakery is a fine restaurant, where meals of the best viands are served daily.
