In August twenty people met for our annual picnic on the Macky Cockley farm. From filled picnic baskets we ate much more than we should have, but with all manner of good food, everything had to be sampled.

Mary Jane Henney presented a program on the internet and all that can be found to help with our family research. It was a beautiful summer evening and the farm was a perfect setting for the picnic. Our thanks to Macky for accommodating all of us and being the perfect hostess.

We have missed many of our local members the past year and hope that you will be able to attend the meetings in 1999. We have several projects in progress and new programs in the planning stages. If you have any suggestions for a program or would like to present a program contact one of our officers.

The Ohio Genealogical Society Cemetery Committee is making a concerted effort to locate cemeteries that have been moved, destroyed and relocated. Many family cemeteries have been lost due to stones being removed so a farmer would not have to plow around them; stones located in someone's front yard that may have been removed rather than have them there as a reminder or the stones may have just crumbled away.

If you know of any such place in Richland County please write to us and give us as much information as you remember. This effort is making known families that would otherwise be lost and forgotten. As we receive more information on this project we will share it with you.

A year or so later, removed to DeSoto, that county, where they carried on business until 1880, under style of Taylor, Baldwin & Co. This firm, in 1865, opened a branch store at Ottawa, under the management of Mr. B. and since 1880 A. H. Baldwin has, in company with his brother, A. B. Before the survey was made, there was no railroad within forty-five miles, and but few settlers in this part of the township. His place is well situated, watered by a branch of Hickory Creek, and about thirty acres of timber; has fenced 130 acres, put eighty acres in cultivation, planted a good orchard of 250 apple and 300 peach trees, and a large variety of small fruits; put up good frame house 26x28, barn 26x30, and has stocked the farm with about fifty head of cattle and as many hogs; has done well here, and is one of the substantial men of the township. The water supply is good and cannot be excelled, and consists of a good well and a number of never-failing springs. The improvements consist of a new three-room frame dwelling house, stock stable, new granary, corn crib, etc. Mr. Beal had twenty acres in fall wheat this season, which yielded 27 bushels to the acre, forty-five acres in corn, which averaged 55 bushels to the acre, and ten acres of timothy, which yielded two tons of hay to the acre. [Brown Co.]

After attaining his majority he married and engaged in farming. The following year he removed to Scott County, Iowa, and engaged in farming. Remained only one year, then went to Rock Island County, Ill., and remained two years, then returned to Iowa and engaged in farming in Iowa for four years. Also had a nursery business. Lott, of Illinois, in November, 1876. They have two sons - Samuel B. and William 0. Braden. [Crawford County]

WALLACE A. BRICE, Tonganoxie. The subject of this sketch, an unpretending man who seeks not the applause of the world, is worthy a place in any volume of biography. Starting out in the world when but a boy of eight or nine years, he has, by his energy, industry, care and love of books, made his way far throught life with little or no aid from others. At sixteen he carried the United States mail on horseback, through a wilderness much of the way, seventy-five miles twice a week, and earned the good name of faithful and attentive, though his pay was small. In 1848 he set in to learn the printing business, at Richmond, Ind., where he worked as apprentice for about two years, soon becoming a good type setter and a very useful hand in the office-the old "Jeffersonian." From there he went to Cincinnati, Ohio, where he remained till 1851, at which time he again returned northward, and after working for a time at Greenville, Ohio, he visited the home of his father, at Winchester, Ind., and soon after took the cars for the West, stopping at Indianapolis, Ind., from whence he soon left for Louisville, Ky., and in the fall of 1854, after short sojourns at different points along the Mississippi River, landed in the city of New Orleans, La., where he sojournd several years, and also visited Mobile, Alabama, and, becoming acquainted with his first wife, then Miss Mary Way, who was also from Indiana, near Richmond. He was married to her in 1860. They were largely instrumental in the establishment of the Freedmen's schools in the Crescent City, in 1863-4. Mr. Brice was born at Mansfield, Ohio, September 27, 1830. Mr. Brice came to Kansas, landing at the city of Leavenworth, in the spring of 1869. Believing that the farm life was much the surest and healthiest, he has since devoted much of his time to the tilling of the soil, with other valuable products raising considerable quantities of broom corn each year, and having the same made into brooms for the common market, though often greatly discouraged by drouth (sic) and grasshoppers. His first wife dying some ten years ago, two years later, in 1874, he became united in wedlock to his present most estimable companion, Mrs. Rachel Sturgis, whose maiden name was Delevan, and whose native State was New York, Westchester County. Mr. Brice has now resided in the city of Tonganoxie and vicinity some thirteen years. Has been a member of the City Council five years, always enterprising and earnest for the public good. A keen, active intellect abounds in the family of Mr. B. His father, a venerable active man, born at Washington, Pa., in 1800, is now in his eighty-third year, having been a minister for over fifty years.

Genealogist’s Christmas Eve
(Twas the night before Christmas)

’Twas the night before Christmas
When all through the house
Not a creature was stirring,
Not even my spouse.

The dining room table with clutter was spread
With pedigree charts and with letters which said...
"Too bad about the data for which you wrote;
Sank in a storm on an ill-fated boat."

Stacks of old copies of wills and such
Were proof that my work had become too much.
Our children were nestled all snug in their beds,
While visions of sugarplums danced in their heads.

And I at my table was ready to drop
From work on my album with photos to crop.
Christmas was here, and such was my lot
That presents and goodies and toys I’d forgot.

Had I not been busy with grandparents’ wills,
I'd not have forgotten to shop for such thrills,
While others bought gifts to bring Christmas cheers.
I’d spent time researching those birthdates and years.

While I was thus musing about my sad plight,
A strange noise on the lawn gave me such a great fright.
Away to the window I flew in a flash,
Tore open the drapes and yanked up the sash.

When what with my wondering eyes should appear,
But an overstuffed sleigh and eight small reindeer.
Up to the house top the reindeer they flew,
With a sleigh full of toys and ‘ole Santa Claus, too.

And then in a twinkling, I heard on the roof
The prancing and pawing of thirty-two hoofs.

As I drew in my head, and bumped it on the sash,
Down the cold chimney fell Santa—KER-RASH!

"Dear" Santa had come from the roof in a wreck,
And tracked soot on the carpet, (I could wring his short neck!)
Spotting my face, good ‘ole Santa could see
I had no Christmas spirit you’d have to agree.

He spoke not a word, but went straight to his work
And filled all the stockings, (I felt like a jerk).
Here was Santa, who'd brought us such gladness and joy:
When I'd been too busy for even one toy.

He spied my research on the table all spread
"A genealogist!" He cried! (My face was all red!)
"Tonight I've met many like you,” Santa grinned,
As he pulled from his sack a large book he had penned.

I gazed with amusement—the cover it read
Genealogy Lines for Which You Have Plead.
"I know what it's like as a genealogy bug." "
He said as he gave me a great Santa hug.

"While the elves make the sleighful of toys I now carry,
I do some research in the North Pole Library!
A special treat I am thus able to bring,
To genealogy folk who can't find a thing."

"Now off you go to your bed for a rest,
I'll clean up the house from this genealogy mess."
As I climbed up the stairs full of gladness and glee,
I looked back at Santa who'd brought much to me.

While settling in bed, I heard Santa’s clear whistle,
To his team, which then rose like the down of a thistle.
And I heard him exclaim as he flew out of sight,
"Family history is Fun! Merry Christmas! Goodnight!"
