COMPUTER COMMITTEE NEWS

The Mohican Area Genealogists Interested In Computers (MAGIC), the Computer Committee of RCGS, recently purchased for the Ohio Genealogical Library a set of nine CD's of the *New England Historical and Genealogical Register*. The disks cover material published by the New England Historical Genealogical Society from 1847 to 1997. Each disk contains an index of the material on the disk and the ninth disk has a comprehensive index. A four volume index was also purchased with the disks. It contains added information that the CD's do not cover, particularly maiden names. It will be a great asset to those researching their New England families.

ONE OF OUR THREE CEMETERY PROJECTS

In 1976 the Society published a book with all known burials in the county's cemeteries. This book has been outof-print for many years. Recently, it was decided to re-publish the book, but by township. First, we have volunteers enter the data into the computer. Next, each cemetery needs to be reread to see what stones remain after so many years. While that is being done, the volunteer is adding new stones to the list and correcting info that was wrong or missed in the last book. Last, the new information will be added to the old. This is a time consuming project and will take a long time to complete. We have begun with Monroe Township and will move to Washington Township and the southern part of the county from east to west. Much will depend on volunteers.

If you have any pictures of old stones from these old cemeteries, would you please make a paper copy and send it to us? If you have ancestors buried in one of the cemeteries that were not in the other book, please advise us of this and send proof of burial.

If you live in Richland County (or are close enough to its borders) and could help with reading a cemetery or proofreading, please let us know. One of our new volunteers recently commented, "Gee, this is fun! Thanks for asking me." Now we're asking you to come join us for the fun of it.

Single membership:	\$10.00	Single life membership:	\$250.00
Joint membership:	\$12.00	Joint life membership:	\$300.00

The Richland County Genealogical Society was organized in 1959 as The Ohio Genealogical Society. Members had been meeting for some five years. In 1964 it was reorganized as the Richland County Genealogical Society, the first chapter of The Ohio Genealogical Society. Meetings are normally held on the fourth Thursday of the month at 7:30 p.m. There is no July meeting. The August meeting is usually a picnic on a date to be set. The November and December meetings are combined on an evening early in December.

Any member of the Richland County Genealogical Society who is a direct descendant of an individual who lived before 1840 in the area, which was at that time encompassed by Richland County, may become a member of the First Families of Richland County upon the acceptance of an application with proof of such descent and the payment of a fee as set by the Board of Trustees. As a First Family member you will receive a certificate and Richland County First Family pin.

The Pastfinder is published four times a year (February, May, August, and November). Members and non-members are encouraged to submit five generation charts and other family information, specifying their permission for the information to be published in the Pastfinder. Queries in the Pastfinder are free to both members and non-members.

The Richland County Genealogical Society has a volunteer research committee to answer mail inquiries related to Richland County. We will provide, as a benefit of membership, up to one hour of research free, once during the calendar year, using material in the OGS library. Patrons must pay for copies and postage. For all other requests there will be a fee of \$5.00. We will not, as a rule, do research at the Richland County Public Library, courthouse, or health department. For this we suggest you contact someone willing to do this for a fee. We have developed a list of such researchers.

RICHLAND COUNTY CEMETERY LISTING

As part of the celebration of Ohio's Bicentennial, The Ohio Genealogical Society has begun collecting "lost and found" cemeteries. Those are cemeteries that were not included in *Ohio Cemeteries*, published in 1978, or *Ohio Cemeteries Addendum*, published in 1990. Lolita Guthrie is the OGS Cemetery Committee Chair. Locally, Sunda Peters and Nancy Hidinger are chairs for the project.

We are seeking your help. Please read over the list of Richland County Cemeteries and check them against the data in your memory bank. Have you seen or do you have knowledge of any cemetery that is not listed here? If so, we want you to contact us with that information so we can include it in the statewide book to be published before 2003 and in our local project of rereading cemeteries and publishing them by township.

Several people are actively involved in computerizing the information we already have and in visiting the cemeteries we have entered and making additions and corrections to the input. It is a time consuming project and will not be completed quickly. If you can spare some time this summer, fall, winter, or spring (or in the next three years) we'd like to hear from you. Call Sunda at 524-0924 or e-mail Sunda@prodigy.net.

A DOPTION RECORDS, RICHLAND COUNTY, OHIO COMPILED BY DORIS FRYE

The column where recorded contains references to three sources. 1. Law Record book #1 which has disappeared, 12 entries cited here are from the index. 2. Guardian Record Book #1 which has also disappeared, but someone copied adoptions, seven in all, on a single page, #277. Guardian Book #2 provides little more information than the index, this being the most complete source. Editors note: At the present time Adoption Records are held by the Probate Judge in his office. [In recent years access to see adoption books has always been denied.]

Falstaff Guards

The following is a list of **Falstaff Guards** on parade in the city of Mansfield, Richland County, Ohio, on the 2nd day of July, 1858. Editors note: I have asked a number of people about the Falstaff Guard and no one has been able to give me a description of who they were and what their purpose was. How about you...do you know? If you do, drop us a note, please. I found the list interesting. Source: *Mansfield Herald*
