Birth Request Instruction Sheet

ELIGIBILTY

By state law, birth records filed with this office are not open for public inspection. The person requesting the certificate must meet one of the following eligibility standards:

- Be the subject of the record
- Acting in such person's best interest (and authorized by the subject of the record)
- Court order

By signing the request, you are indicating that you are the person who is the subject of the records, a court appointed legal guardian, a custodial guardian, or an authorized agent working in the best interest of the subject of record. *Additional documentation may be required demonstrating the requestor's authorization to obtain the birth record requested.* When an adoption has occurred, the biological family and the adoptee no longer have the same legal right to each other's birth record that they had prior to the adoption. Additional documentation may be required to show the requestor's authorization to obtain an adoptee's birth record.

ACCEPTABLE PHOTO IDENTIFICATION

Note: Send a photocopy. Do not send your original ID. Photocopies must be legible and cannot be expired.

- State Issued Driver Licenses
- State Issued Photo Identification Card
- US Passport
- Government Issued Military ID
- United States Bureau of Indian Affairs Identification card (with photo)
- Tribal Identification card by federally recognized tribes (with photo)

* If the person requesting the record does not have one of the above listed acceptable photo IDs then an individual who can attest to the Requestor's true identity may present a photocopy of an acceptable photo ID of the attesting individual and must make a signed statement as to the facts supporting the attestation of true identity.

HEIRLOOM BIRTH CERTIFICATES

\$ 35.00 and includes one certified copy of the original certificate.

The Heirloom Birth Certificate is 11"x14" with a dark blue trim, bearing a silver and gold seal, depicting the view of the State Capitol Dome. The Certificate will reflect the name, date of birth, place of birth, and parent's names of the subject of the birth record. Proceeds from the issuance of Heirloom Birth Certificates are used by the Child Abuse Training and Coordination Program to provide training and technical assistance to judges, prosecutors and members of the multidisciplinary child abuse teams who intervene in circumstances of child abuse.

WALLET SIZE CARDS Standard search and issuance fees apply.

The wallet size card is 3"x4" and contains minimal birth information and does NOT include parental information. Wallet size cards may NOT be acceptable identification for passports, travel, Social Security, school enrollment or obtaining a driver's license or permit.

IF BOTH PARENTS DO NOT APPEAR ON THE BIRTH CERTIFICATE

If both parents' names are not indicated on the original Certificate of Birth a complete copy of the birth record can be obtained only if requested by the mother, the subject of the birth record if of legal age, or a person having legal custody or guardianship of the subject of the birth record. If the certificate is required for "adoption purposes," the signature of the attorney of record and a statement from him/her to that effect is required.

NAME CHANGES

If a change to the name of the subject of the birth record has occurred as a result of <u>legal</u> action the person requesting the birth record must identify in the place marked "full name at birth" the current legally altered name of the subject of the birth record, and that name must agree with the information that now appears on the certificate. If a change needs to be made to the record, complete the request with the information that currently appears on the certificate and attach a letter specifying the changes. (Additional Instructions will be mailed once the request has been reviewed.)

SUBJECT OF THE BIRTH RECORD IS DECEASED

If the subject of the original Certificate of Birth is deceased the person requesting a copy of the deceased person's birth certificate may receive only a birth record marked with a notation indicating that the subject of the record is deceased.
