

HINKLES CREEK MONTHLY MEETING

Hamilton County, Indiana

Hinkles Creek Monthly was set-off from Westfield Monthly Meeting and first held on the second of Fourth month 1850. The meetinghouse is located four miles north and two miles east of Westfield. They selected a site on a knoll near a natural spring for drinking water and Hinkle Creek to serve as a watering place for their horses. This was on the farm of Joseph Sumner's in the extreme southwest corner of Jackson township. The first meetinghouse was log.

The Friends who were in this settlement as early as 1836 (according to the late Waldo Beals) were: Jesse and Dinah Beals, John and Mary Beals, Jonathan and Esther Haworth, Amer and Achsah Hiatt, Joel and Phoebe Reese, William and Sarah Rich and Joseph and Abigail Sumner, as well as others.

One monthly meeting was set-off from Hinkles Creek: West Grove (1873).
