Brothers and sisters of Kersey Baker: Lydia Rogers lived and died in the old home place in Pennsylvania which eventually became part of Philadelphia. Mr. and Mrs. Francis Swain raised Elizabeth Parker, who later married Kersey Baker and they named their first son, Francis. The son was always called Frank and he married my Aunt, Mary Ellen Wilson, daughter of Howland and Ruth Stanley Wilson.

Hannah Jane married Thomas Carlyle. They were parents ^{of} Lucetta, who married Amasa Foulke and was later murdered. I believe Jane is burried at Hinkle cemetary. Anna became Uri Hodson's second wife and raised his two children, John Hodson, the father of Minnie Hodson Wilson, my brother Archie's first wife and Mary Hodson Foulke.

Sarah never married and lived most of her life in Kersey's home. Jesse's second wife ^{was} Ann Bates, a sister to Townsend Bates, and the latter was the great Grandfather of my children as John Parker Baker married Susanna Jane Bates and became the parents of my late husband Alvin Kersy Baker Sr.

I do not know who Joseph and Eli married but some of the Cammacks, Hasketts and Davis families are their decendents.
