Last Will and Testament

I, Joseph Alonzo Pruitt, a resident of and domiciled in the County of Anderson, State of South Carolina, do hereby make, publish and declare this to be my Last Will and Testament, hereby revoking all Wills and Codicils at any time heretofore made by me.

ITEM I.

I direct that all of my just debts, secured and unsecured, be paid as soon as practicable after my death; however, I direct that my Executors hereinafter named may cause any debt to be carried, renewed and refinanced from time to time upon such terms and with such securities for its repayment as my Executors may deem advisable, taking into consideration the best interests of the beneficiaries hereunder.

ITEM II.

I will, devise and bequeath unto my wife, Nancy H. Pruitt, all of my estate, real, personal or mixed, of whatsoever kind and wheresoever situate, either legal or equitable or both. If my said wife, Nancy H. Pruitt shall not survive me, then I give, devise, and bequeath all of my said property, of whatsoever nature and wherever situate to my then living children in approximately equal shares, share and share alike. Should either one of my children predecease me, such deceased child's share shall pass to the then surviving child of mine.

ITEM III

If any beneficiary and I should die under such circumstances as would render it doubtful whether the beneficiary or I died first, then

It shall be conclusively presumed for the purpose of this my Will that said beneficiary predeceased me.

ITEM IV.

I hereby nominate, constitute and appoint as Co-Executors of this my Last Will and Testament, Russell J. Pruitt and Melissa Joy Pruitt, and direct that they shall serve without bond. If one of the named Co-Executors does not survive me, or if one fails to qualify as Co-Executor, or for any reason is unable or unwilling to continue to serve, then I hereby nominate, constitute and appoint the other named Co-Executor as sole Executor and direct that he shall likewise serve without bond. If bond is required by law, then I direct that my Executor shall not be required to furnish security or sureties on said bond.

ITEM V.

By way of illustration and not of limitation, and in addition to any inherent, implied or statutory powers, granted to my Co-Executors, generally, my Co-Executors are specifically empowered with respect to any property, real or personal, at any time held under any provision of this Will, to allot, allocate between principal and income, assign, borrow, buy, care for, collect, compromise claims, contract with respect to, continue any business of mine, convey, convert, deal with, dispose of, enter into, exchange, hold, improve, incorporate any business of mine, invest, lease, manage, mortgage, grant and exercise options with respect to, take possession of, pledge, receive, release, repair, sell, sue for, to make distributions in cash or in kind or partly in each without regard to the income tax basis of such asset, and, in general, to exercise all powers in the management of my estate which any individual could exercise in the management of similar property owned in its own right, upon such terms and conditions as to my Co-Executors may seem best, and to execute and deliver any and all instruments and to do all acts my Co-Executors may deem proper and necessary to carry out the purposes of this my Will, without being limited in any way by the specific grants of power made, and without the necessity of a court order.
