LAST WILL AND TESTAMENT OF
JAMES McELWEE PLAXCO

I, JAMES McELWEE PLAXCO, of Abbeville County, State of South Carolina, being of sound mind and disposing mind and memory, do hereby make, publish and declare the following as and for my Last Will and Testament, hereby revoking all other Wills and Codicils heretofore by me made.

1. If my wife, ADELE T. PLAXCO, shall survive me, I give to her outright in fee simple, an amount equal to 50% of the value of my adjusted gross estate as finally determined for Federal estate tax purposes, undiminished by any estate, inheritance, transfer, legacy, or succession taxes or death duties, either State or Federal, less the aggregate value of all interests in property, if any, which pass to my wife, under other provisions of this Will or which have already passed to her or for her benefit otherwise than under this Will, by operation of law, through life insurance policies, or otherwise, but only to the extent that such interests are included in determining my gross taxable estate and are allowable as a marital deduction for Federal estate tax purposes. My Executor shall have full power and the sole discretion to satisfy this gift wholly or partly in cash or kind and to select the assets which shall constitute this gift; provided however, that all property so selected shall be valued at the value thereof as finally determined for Federal estate tax purposes; provided, further that the Executor, in order to implement this gift, shall distribute to my wife assets, including cash, having an aggregate fair market value at the date or dates of distribution amounting to no less than the amount of this gift as finally determined for Federal estate tax purposes; and provided, further, that there shall not be included in this gift any asset or the proceeds of any asset which does not qualify for the marital deduction for Federal estate tax purposes. The exercise of the foregoing power and discretion by the Executor shall not be subject to question by or on behalf of any beneficiary under this Will regardless of its effect upon the interest of such beneficiary.

2. If my wife, ADELE T. PLAXCO, survives me, I give, devise and bequeath the residue of my estate, real and personal, wherever situated, to my Trustee, CHARLES C. PLAXCO, in trust, to hold, manage and distribute as follows:

(a) The net income shall be distributed at least annually to or for the benefit of my wife, ADELE T. PLAXCO.

(b) If the foregoing payments to or for the benefit of my wife, ADELE T. PLAXCO, shall be insufficient in the discretion of my Trustee to provide for the reasonable support, care, or comfort of my wife, my Trustee may pay to or for the benefit of my wife so much of the principal as he may deem proper or necessary for such purposes.

(c) If my wife, ADELE T. PLAXCO, survives me, then upon her death the Trustee shall pay and distribute the principal of the trust estate as it shall then exist to my issue who survives her, in equal shares per stirpes.

3. If my wife, ADELE T. PLAXCO, does not survive me, I give, devise and bequeath all of my estate, real and personal, wherever situated, to my issue who survive me, in equal shares per stirpes.

4. I appoint my son, CHARLES C. PLAXCO, Executor of this my Will and Trustee of all trusts created under this my Will. I request that he shall not be required to give any bond.

5. I authorize my Executor and my Trustee to allot, assign, care for, collect, contract with respect to, convey, convert, deal with, dispose of, enter into, exchange, hold, improve, invest, lease, manage, mortgage, create security interests in, grant and exercise options with respect to, take possession of, pledge, receive, release, repair, sell, sue for, and in general to do any and every act and thing and to enter into and carry out any and every agreement with respect to the property included in my estate or any trust created in this Will which he could do if he were the absolute owner thereof, upon such terms and conditions as my Executor and Trustee may deem best,

and to execute and deliver any and all instruments and to do all acts which such Executor and Trustee may deem proper or necessary to carry out the purposes of this Will, and without the necessity of a court order.

IN WITNESS WHEREOF, I have signed my name at the foot and end of this my Last Will and Testament and affixed my seal this 17th day of May, 1973.

FINAL WILL AND TESTAMENT
OF
JAMES Z. KIRBY

I, JAMES Z. KIRBY, a widower, being of sound and disposing mind and memory, mindful nevertheless of the uncertainty of life, and desiring to make provision for the disposition of my earthly estate, do hereby make, publish and declare this to be my Final Will and Testament, hereby revoking any and all writings or documents of a testamentary nature heretofore at any time by me made.

ITEM I. I direct that any legally enforceable debt of my estate may be, by my Executor hereinafter named, carried, renewed and/or refinanced from time to time upon such terms and with such securities for its repayment as my Executor hereunder may deem advisable and for the best interest of the beneficiaries hereunder.

ITEM II. I direct that all estate and inheritance taxes assessed with respect to my estate herein disposed of, or any part thereof, or on any bequest or devise contained in this my Final Will (which term wherever used herein shall include any codicil hereto), or on any insurance upon my life or on any property held jointly by me with another or on any transfer made by me during my lifetime or on any other property included in my estate for such tax purposes be paid out of my residuary estate.

ITEM III. I give, devise, and bequeath all the rest, residue, and remainder of my property, of whatsoever kind and nature and wheresoever situate, including lapsed legacies and devises, and regardless of whether same is acquired before or after the execution of this my Final Will and Testament, unto my three children (Joan K. Bryant, George Robert Kirby, and Nancy K. Burton), equally, sharing and sharing alike, provided, however, that the issue of a deceased child shall take his or her parent's share, per stirpes.

ITEM IV. In the event that I should leave a handwritten or other memorandum prepared by me directing the disposition of any items of personal property of my estate, I request that my Executor and my heirs are to abide by the provisions of said memorandum prepared by me directing the division of said property or any part thereof. This request on my part is precatory and not mandatory.

ITEM V. My Executor shall have full power and authority to sell, exchange, or assign, any security or property, real or personal, at public or private sale, held in my estate and to invest and reinvest the property held by it including accumulated income as it may exist at any time. My Executor can make distributions in money or kind, or partly in money and partly in kind as it shall determine. My Executor shall also have full power and authority to borrow money, whether to pay taxes; to exercise subscriptions, rights, and options; to improve or develop real estate or any interest therein for sale or lease; or for other proper purposes, and to pledge or mortgage trust or estate assets as security for the repayment thereof.

My Executor shall have the power and authority to make distributions (including the satisfaction of any pecuniary bequest) in cash or in specific property, real or personal, or an undivided interest therein or partly in cash and partly in property, and to do so without regard to the income tax basis of specific property allocated to any beneficiary (including any Trust).

ITEM VI. The foregoing grant of powers and discretions to my Executor is made with full realization of the risks inherent in the exercise thereof and I expressly declare my intention to be that my Executor shall use ordinary business judgment in the exercise thereof and that it shall not be liable or responsible for any losses that may result therefrom, said powers and discretions being given in the belief that the possibility of preserving the capital and income values which I believe the estate contains justify the risks involved.

ITEM VII. In case the income or principal under this Will or under any Trust created by this Will or any share thereof becomes payable to a minor, or to a person not adjudicated incompetent, but who by reason of illness or mental or physical disability is, in the opinion of my Executor, unable to properly administer such amounts, then such amounts shall be paid out by my Executor in such of the following ways as my Executor shall deem best:

- (a) Directly to such beneficiary.
- (b) To the legally appointed guardian of such beneficiary.
- (c) To some relative or friend for the care, support, and education of such beneficiary.
