TOWNSHIP OF SPRINGVALE  
FOND DU LAC COUNTY, WISCONSIN**

**CEMETERY SECTIONS**

Several records were used to compile the following cemetery inscriptions. One set of cemetery inscriptions were first copied by R. T. Elliot ca 1982. Another set of cemetery inscriptions was compiled at the same time, by an unknown author, but not as complete as the R. T. Elliot inscriptions. In 2006 both sets of records were compared, and proofed against the actual tombstones by Tracy Reinhardt and Mary Brickle. New burials were incorporated into the inscriptions, as well as locations by row and section, of all cemetery monuments. As much care as possible was taken to record locations of cemetery monuments. However, some inscriptions from the original records are now not legible, and so could not be found. They are included in the front 'unknown' section.
