

PLAINFIELD CEMETERY LISITING

I would like to continue to update this file with Maiden Names, Dates of Birth, Death and Burial if you are willing to email me with the details of information you know to be a fact. Also, if there are any further mistakes, please let me know. Proofreading is not always easy. Also, others who wrote the records may have had it wrong. I changed the format and removed all the information on how many empty plots there are in each lot. Each plot has 8 lots, except as noted and at the far back of the cemetery. I intend to add the plot number to this database also, but be patient with me. If there is anyone who would like a specific paper copy of the record, I will offer that for a small fee to cover costs. You may email me at trickey@sbcglobal.net. If there is someone you do not find, please check altenate spellings.
